RE: BLACK MOUNTAIN SEWER PLANT  
DOCKET CONTROL:

SW-02361A-08-0609

Dear Commissioners:

I fully support the de-commissioning of the Black Mountain Sewer plant located in the midst of beautiful residences and within 100 feet of adjacent residences. NOTE: Most of us are retirees and this is no way to spend remaining years with the following:

1. STRONG NAUSEATING ODORS.
2. HEALTH PROBLEMS FROM CHEMICALS
3. CONSTANT REPAIR & PUMPER TRUCKS

Added to the above problems is the loss of property values which will also affect your tax base.

I believe for the health & safety of our community, DE-COMMISSIONING IS IMPERATIVE!

Sincerely

Arizona Corporation Commission
